About Crown Relocations

With more than 200 locations in almost 60 countries, Crown Relocations understands the importance of providing services that go far beyond packing and moving personal effects. Today, those who relocate and those who are managing relocation programs need industry experts who understand the complexities of domestic and international relocations. Serving corporations, diplomats and private customers, Crown's team of expert professionals has the unique experience required to provide high-quality international and domestic mobility services.

- Domestic and international moving services
- Secure storage facilities
- CrownCare protection programs
- Destination settling-in services
- Employee and family support, including Global Passport®, Global Career® and language training
- Immigration services

Crown Worldwide Group's Chairman

James E. Thompson is the Chairman of the Crown Worldwide Group. In 1965, he founded the company in Yokohama, Japan. Today, Crown employs over 5,200 people in nearly 60 countries and is the market leader in relocation, mobility, information management, fine art transportation and logistics, which includes oil and gas project management as well as luxury goods warehousing and distribution.

Mr. Thompson has received numerous accolades for demonstrating business growth with a commitment to corporate social responsibility. He was awarded Hong Kong's Gold Bauhinia Star in 2003, awarded to a select few in Hong Kong

society in recognition of involvement and support to Hong Kong's local communities. In addition to his work with several prestigious organizations, he has served as a delegate representing Hong Kong on Hong Kong Trade Development Council trade missions around the world.

Mr. Thompson serves as a board member for several prominent industry organizations. Known for his charitable involvement, he also serves with a number of charitable organizations and university mentorship programs. He and his wife Sally are especially interested in charities that focus on children's health and education.
